HOTEL ARSENAAL
DELFT BY WESTCORD

About

In the historic heart of Delft, the iconic Hotel Arsenaal occupies a beautifully preserved 17th-century artillery warehouse with 63 characterful rooms set beneath centuries-old beams and a location nestled between two historic canals.

It offers a setting as picturesque as a Vermeer painting. Perfect for events that call for a meaningful backdrop, the hotel's Gastrobar and The Armory together serve excellent food and wine, all with a tasteful nod to its storied past

The hotel offers two distinctive meeting rooms, each combining high ceilings, a sleek modern style, and a subtle sense of nostalgia. Both benefit from indirect natural light and feature private breakout spaces. For larger gatherings, the expansive EXPO hall is ideal - its flexible layout, state-of-the-art facilities, and the historic charm of the centuries-old arsenal create a truly memorable setting. Whether you're planning an intimate meeting for 50 guests or a large-scale event for up to 350, this unique venue delivers the perfect blend of professionalism and inspiration.
