HOTEL NEW YORK
ROTTERDAM W BY WESTCORD

About

Housed in the historic headquarters of the Holland-America Line, Hotel New York is a beacon on the Maas and a beloved symbol of Rotterdam. A reminder of Rotterdam's rich steamship history, but at the same time a symbol of urban renewal:

Hotel New York. The Grand Old Lady is as stately as it is hip, and as classic as it is contemporary. In its second life as a hotel and café-restaurant, the former headquarters of the Holland America Line has welcomed guests for more than a quarter of a century

With seven distinctive meeting spaces, including the vintage-chic Reuchlin and Plate boardrooms and fine dining restaurant and cocktail bar NY Basement, the hotel adds gravitas to any event. Its blend of grandeur and informality, paired with a location at the heart of the city's renewal district, makes it ideal for executive retreats, creative workshops, or cultural corporate experiences.
