About

A unique 4-star energy-neutral hotel in Amsterdam, Hotel Jakarta blends Dutch innovation with Indonesian elegance at the historic departure point to the East. Luxurious rooms, most with balconies, offer panoramic views of the city and river IJ.

Café Jakarta fuses Western ingredients with Eastern flavours and can be fully privatised. Their bright and airy wellness centre with pool and sauna provides the ideal spot for relaxation.

Hotel Jakarta offers 245m² of flexible, light-filled meeting space with stunning views of the city or lush subtropical courtyard. The Java room can be divided into three breakouts. For informal gatherings, the stylish Lounge or rooftop Malabar bar are perfect for drinks, ideas, or celebrations.
